## Our School Values

This year we have launched our new school values of **courage**, **curiosity** and **compassion**. Today we would like to tell you about what courage means to us and how it looks in our school.

Miss Hollis and the School Council representatives have worked hard to create a mascot for each value. A lion was chosen to represent courage as they believe lions are brave, strong and resilient, which shows courage.

The children have looked at the different types of courage; moral, intellectual, social and empathetic. They have then created quotes they believe the lion would say linked to the different types.

I stick to the rules but stand up for my beliefs.

I'm the king of my mind! Nothing can stop me.

I listen to, I work with and believe in others.

I will push my limits and reach my goals.

**Courage**
