

Seymour News

Friday 9th February 2024

It has been another busy term of learning and we would like to share the good news that our children are on track to meet their milestones as they progress through the school.

This week the children in Year 6 took their mock SATs in preparation for their end of key stage assessments in May. All children showed courage and put in maximum effort. We are on track to achieve our best Key Stage 2 results for some years and will again be above the national average. Over 90% of children in Year 1 are on track to pass their phonics screening in June and which again is way above the national average.

What a bunch of clever children we have!

Goodbye and Good Luck

We would like to wish Mitchell Spencer lots of luck for the future as he leaves Seymour after a wonderful year of supporting the child with sports.

Also, we wish Chelsie Franks lots of love and luck as she leaves us to have her baby after half term.
